

Ultra Violin Mute

Brand:

Dimensions: 0.00cm x 0.00cm x 0.00cm

Price: £4.50

Short Description

Ultra Violin Mute for practise

Description

The Ultra violin mute is a 5 pronged flexible mute suitable for quiet practise.

The effect of this mute is heavy i.e. it reduces volume considerably but also retains some quality of tone.

As these mutes are flexible, fitting and removal is easy.
