Short Description

Klotz copy violin

The top of this instrument has previously been cracked and a good repair has been made, and the back center joint has also been repaired.

Description

Length of back 14 $\frac{1}{4}$ "

Upper bout 168mm

Lower bout 204mm

The two piece back is made of well flamed maple as are the sides.

The amber varnish shows signs of wear and use.

The sound of this instrument is focussed and clear. Strings are Infeld Red
