Short Description

A good violin with a very good sound and response

Description

The making of this violin is bold and a little on the large size but not unduly so. Ratios are good. Length of back 14 3/16 (360mm), lower bout 210mm, upper bout 168mm. String length 326mm.

Amber varnish with yellow brown areas. Presently set up with Dominant strings.

This violin needed basic work when it came to us (new pegs, fingerboard, bridge, cleaning and general setting up but was basically in good condition, i.e. no cracks or major damage.
